RC: In rear and detached, always behind. Stewards Note: When questioned regarding his tactics, particular in the early stages, the rider advised that it was his intention to settle DECIDUOUS (GB) towards the rear of the field, as the gelding has a tendency to race keen when travelling amongst other runners. He added that after restraining DECIDUOUS (GB) approaching the 2500 metres, he obtained at position at the rear of the field, however the gelding shied at the winning post on the first occasion resulting in DECIDUOUS (GB) losing ground and eventually settling 10 lengths behind the field. B Pinheiro conceded that it was not his intention to settle as far back as he did and did not want to urge DECIDUOUS (GB) forward at this stage to avoid the gelding to commence to race keen. Stewards noted the explanation, however advised B Pinheiro that he must show far more awareness of where the field is in a similar situation and not to leave his mount such a significant margin to recover in the race.
