RC: In rear and detached, always behind. Stewards Note: When questioned regarding his tactics, particular in the early stages, the rider advised that it was his intention to settle DECIDUOUS (GB) towards the rear of the field, as the gelding has a tendency to race keen when travelling amongst other runners. He added that after restraining DECIDUOUS (GB) approaching the 2500 metres, he obtained at position at the rear of the field, however the gelding shied at the winning post on the first occasion resulting in DECIDUOUS (GB) losing ground and eventually settling 10 lengths behind the field. B Pinheiro conceded that it was not his intention to settle as far back as he did and did not want to urge DECIDUOUS (GB) forward at this stage to avoid the gelding to commence to race keen. Stewards noted the explanation, however advised B Pinheiro that he must show far more awareness of where the field is in a similar situation and not to leave his mount such a significant margin to recover in the race.

When questioned regarding his riding in the straight and whether he could have stayed on the running rail for a clear run, the rider explained that on straightening he was initially held up for a clear run and there was insufficient room to improve to the inside of OLYMPUS POINT (IRE), therefore he shifted outwards where he was than further held up and went to the winning post untested. He added although a run did present itself to the inside of OLYMPUS POINT (IRE) approaching the 200 metres, he had already committed to shifted ground outwards. Stewards noted his comments.
